

# CASINO SYMBOLS™

## DATA SHEET

CASINO SYMBOLS is a software package designed to work with VISIO "drag and drop" drawing package. It contains gambling tables, which are featured throughout all casinos. CASINO SYMBOLS is ideal for CCTV installers who have a focus on casino security. CASINO SYMBOLS is a perfect accompaniment to the other Symbols and Images software packages. By using CASINO SYMBOLS with another Symbols or Images drawing package, you can produce system diagrams showing the exact location of each piece of CCTV equipment.

CASINO SYMBOLS is ideal for CCTV professionals who want to produce professional looking system drawings at low cost.

CASINO SYMBOLS is being given away free to all customers who purchase Advanced CCTV Symbols or Advanced Access Control Symbols.

| Hardware / Software            | Requirements   |
